**Description:**

This database contains state censuses for the following years: 1825, 1830, 1835, 1845, 1855, and 1865. Information available for an individual will vary according to the census year and the information requested on the census form. Some of the information contained in this database though includes: name, enumeration date, and enumeration place. These censuses generally only recorded the names of the heads of household. Other individuals in the household were numbered in age and race categories. [Learn more...](#)
